

7 Lies in 2 minutes

And all in one clip! I counted 8.

7 Lies in 2 minutes

I don't know what all the fuss is about. Politicians will say anything and promise anything to get into office. Once they get in the lying **REALLY** begins. But this one takes the cake Obama makes 7 false statements/promises (at least one is not implemented yet, if ever) in under 2 minutes.

Can we get a "Cash for Clunkers" program going for politicians?
(I would recommend opening soon, as it will probably be pulled off the internet)
